Hi Althea  
Adding to distribution list is easy, consider it done.

Regarding the calls, can you give some clarification, maybe? Colorado OEM kicked off a daily call Monday which includes NM partners. We're also establishing daily RRT calls. The former seems like an obvious one and I can get them the info. The RRT maybe doesn't but if you think they'd like to join, I'll make that happen as well. If there are other calls being held in Durango, I'm not privy to those but can check to see what might be going on.

Gina,

Our State partners in New Mexico are asking that the individuals below be added to your email list for State contacts and to me included in any daily calls you have with your Region 8 State counterparts.

Thank you
